## IMPORTANT INFORMATION

### HOW YOUR SUPPLEMENTAL TAX BILL IS CREATED AND WHAT OFFICE TO CONTACT FOR ADDITIONAL INFORMATION.

California State law requires the reassessment of property as of the first day of the month following an ownership change, or the completion of new construction.

Typically, new construction is any substantial addition to real property (e.g., adding a new room, pool, or garage) or any substantial alteration which restores a building, room, or other improvement to the equivalent of being new (e.g., completely renovating an outdated kitchen).

The Los Angeles County **ASSESSOR** first determines the new value of the property based on current market values. The Assessor then calculates the difference between the new value (set at the time of purchase or completion of new construction) and the old value set on January 1 for the preceding fiscal year period, July 1 through June 30. The result is the supplemental assessment value.

The Supplemental Tax Bill is sent in addition to the Annual Tax Bill and both must be paid by the date shown on the bill. If you purchase and then sell the property within a short period of time, the Supplemental Tax Bill you receive should cover only those months during which you owned the property, and the new owner should receive a separate Supplemental Tax Bill. If you require additional information on supplemental assessments, please contact your nearest Assessor's regional office at the address and telephone number shown on the front of this bill; call 1(213) 974-3211 or toll free 1(888) 807-2111; or visit [propertytax.lacounty.gov](http://propertytax.lacounty.gov).

After the new value and proration period is established, the Los Angeles County **AUDITOR-CONTROLLER** computes the taxes based on the prorated time period and the new value. If the value was increased, the new tax amount is based on the new difference between the prior and current value. If the value decreased, negative amounts are reflected to indicate a refund has been or will be issued. Supplemental taxes are adjusted by a proration factor to reflect that portion of the tax year remaining effective on the first day of the month following the date on which change of ownership, or completion of construction occurred. The factors from the following table are used in determining the prorated tax amount.

#### \*Current Roll Supplemental Tax to be multiplied by:

If effective date is on or after January 1, 1997			
July	1.00	**January	.50
August	.92	**February	.42
September	.83	**March	.33
October	.75	**April	.25
November	.67	**May	.17
December	.58	June	.08

#### Definitions:

\*Current Roll means the roll for the fiscal year (July 1 - June 30).

\*\*If the change of ownership or completion of new construction was effective during one of these months, you will receive another Supplemental Tax Bill for the succeeding fiscal year.

Information about the computation of charges not subject to proration, taxes, refunds or negative tax values should be directed to the Los Angeles County **AUDITOR-CONTROLLER** 1(213) 974-8368 or 1(888) 807-2111, or by email at [propertytax@auditor.lacounty.gov](mailto:propertytax@auditor.lacounty.gov).

The Los Angeles County **TREASURER AND TAX COLLECTOR** mails Supplemental Tax Bills throughout the tax year. As a result, Supplemental Tax Bill due dates vary. If the bill is mailed between July 1 and October 31, the taxes become delinquent at 5:00 PM on December 10 for the first installment and 5:00 PM on April 10 for the second installment (the same delinquency schedule as for the Annual Tax Bills mailed on or before November 1).

If the bill is mailed between November 1 and June 30, the delinquency date is printed on the bill. The first installment is delinquent at 5:00 PM on the last day of the month following the month in which the bill was mailed. The second installment is delinquent at 5:00 PM on the last day of the fourth month after the first installment delinquency date.

If the front of this bill has the notation "**Prior Delinquency**", this is to alert you that taxes from a previous year are unpaid. The amount of the delinquency is not included in this bill. If the delinquency continues for 3 years for commercial properties or unimproved vacant residential lots, or 5 years for residential or agricultural properties, your property can be sold at a public auction. You can prevent this by either paying the delinquency in full or, if you qualify, by establishing a five-year payment plan. For more information, contact the Los Angeles County **TREASURER AND TAX COLLECTOR'S** office.

**IF YOUR MORTGAGE LENDER PAYS YOUR ANNUAL TAXES, DO NOT ASSUME THEY WILL PAY THIS BILL, AS TYPICALLY THEY DO NOT RECEIVE NOR PAY SUPPLEMENTAL TAX BILLS. YOU SHOULD CONTACT THEM IMMEDIATELY.**
