

CONFIDENTIALITY AGREEMENT

Dear Sir or Madam:

In connection with your interest in a current or potential, negotiated acquisition of those certain properties listed on Schedule I hereto (referred to collectively and individually, as the context so requires, as the “Property”) controlled by Hospitality Investors Trust, Inc., or their subsidiaries, parent and/or affiliates (collectively, the “Company”), you (the “Receiving Party”, collectively with the Company, the “Parties” and singularly a “Party”) have requested certain information concerning the Property and the Company from the Company’s Representatives. In consideration of furnishing you with the Information (as defined herein), the Company requests your agreement to the following:

1. Representatives. The term “Representatives” means, as to a Party, such Party’s affiliates and its and their respective officers, directors, employees, partners, members, brokers, and managers, who need to know such information solely for the purpose of a potential Transaction (as defined herein). Notwithstanding anything to the contrary herein, the term “Representatives” does not include, and you shall not, directly or indirectly, disclose any Information to, any person acting as a potential or actual (i) joint bidder, equity investor or other debt or equity financing source with respect to a possible Transaction (any such person, a “Financing Source”), or (ii) third party operator or franchisor (e.g., any hotel brand) (any such person, a “Franchisor”), unless, in each such case, you have received the Company’s prior written consent (it being understood that once such consent is delivered, such Financing Source or Franchisor shall be deemed your Representative).

2. Definition of Information. The term “Information” as used in this Agreement includes without limitation any and all information furnished directly or indirectly, either orally, electronically or in writing, by or on behalf of the Company to the Receiving Party and/or its Representatives, and any and all documents regarding Company, its affiliates, subsidiaries, agents, managers, franchisors, the valuation and marketing and sale contemplated herein, and all other information (including such information contained on any computer tapes, computer disks or any other form of electronic or magnetic media, data sites, share sites, Firmex sites and other web based data sharing platforms), whether or not marked “confidential,” that Company or any of its Representatives furnishes or otherwise discloses, whether before or after the date hereof, to Receiving Party or any of its Representatives, together with all notes, analyses, compilations, studies, forecasts, projections, interpretations or other documents, records or data (including information contained on any computer tapes, computer disks, “data sites” or any other form of electronic or magnetic media, share sites, Firmex sites and other web based data sharing platforms) prepared by Receiving Party and/or its Representatives that contain or otherwise reflect or are generated from such documents and information. However, the term “Information” does not include information that (a) becomes generally available to the public other than as a result of a disclosure by Receiving Party or its Representatives in breach of the terms hereof, (b) becomes available to Receiving Party or any of its Representatives on a non-confidential basis from a

source other than Company or its Representatives, provided that such source is not known by Receiving Party to be bound by a confidentiality agreement with or other obligation of secrecy to Company with respect to such information, or (c) was or is independently developed by Receiving Party or its Representatives with resources other than Company's Information.

3. Receiving Party Obligations. The Information will be used solely for the purpose of evaluating Receiving Party's potential purchase of the Property from the Company or its affiliates (the "Transaction") and not for any other purpose. Receiving Party will protect the Information with a commercially reasonable degree of care in order to prevent the unauthorized use, access or disclosure of its own confidential and proprietary information. The Information will be kept strictly confidential in accordance with the terms hereof by Receiving Party and its Representatives and will not be disclosed by Receiving Party or its Representatives to any other person except (i) as may be consented to by the Company in writing, (ii) if required by applicable law, regulation or legal or judicial process, subject to paragraph 4 below, and (iii) that Receiving Party may disclose the Information or portions thereof to those of its Representatives who need to know such Information for the purpose of evaluating the Transaction, but only to the extent necessary to evaluate the Transaction and only if such Representatives are advised of the confidential nature of such Information and the terms of this letter agreement. Receiving party will be responsible for any failure to comply with the terms of this letter agreement by Receiving Party or its Representatives, and Receiving Party agrees to take all commercially reasonable measures to restrain its Representatives from prohibited or unauthorized disclosure or use of the Information.

4. Compelled Disclosure. If Receiving Party or any of its Representatives are required by law or by a governmental authority (by deposition, interrogatory, request for documents, subpoena, civil investigative demand, or similar process) to disclose any Information, it must (to the extent legally permissible) provide Company with prompt written notice thereof, and must cooperate with Company so that Company may, if Company chooses, at its sole discretion and expense, to seek a protective order or other appropriate remedy. If such a protective order or other remedy is not sought or obtained, Receiving Party or such of its Representatives, as the case may be, may disclose only such Information that it reasonably believes in good faith, after consultation with legal counsel, must by applicable law, regulation, or legal process be disclosed, and Receiving Party must exercise reasonable efforts to obtain assurances that such Information will be accorded confidential treatment.

Notwithstanding the foregoing, a Receiving Party and its Representatives may each retain copies of the Information to the extent required by applicable document retention policies and legal and regulatory considerations. Upon Company's written request, Receiving Party hereby agrees to confirm in a letter to Company, its compliance with the terms of this paragraph. Notwithstanding

Each Party also agrees that no Party will be under any legal obligation of any kind with respect to such a Transaction, by virtue of this Agreement or otherwise, except for the matters specifically agreed to in this Agreement.

7. No Representations or Warranties. In the event of litigation relating to this Agreement, if a court of competent jurisdiction determines in a final, non-appealable order that this Agreement has been breached by either party or by its Representatives, then the breaching party will reimburse the non-breaching party for its costs and expenses (including, without limitation, reasonable legal fees and expenses)

incurred in connection with all such litigation.

12. Governing Law; Jurisdiction. This Agreement shall be governed by and construed in accordance with the laws of the State of New York applicable to contracts made and to be performed therein. 15. Modification; Waiver. The agreements set forth in this Agreement may be modified or waived only by a separate writing by the Parties expressly modifying or waiving such agreements. It is further understood and agreed that no failure or delay in exercising any right, power or privilege hereunder will operate as a waiver thereof, nor will any single or partial exercise thereof preclude any other or further exercise thereof or the exercise of any other right, power or privilege hereunder.

16. Severability. If any term, provision, covenant or restriction of this Agreement is held by a court of competent jurisdiction to be invalid, void or unenforceable, the remainder of the terms, provisions, covenants and restrictions of this Agreement shall remain in full force and effect.

19. Definition of Person. The term “person” as used in this Agreement will be interpreted broadly to include, without limitation, any corporation, company, group, partnership or other entity or individual.

20. Entire Agreement; Amendment; Delivery as Acceptance. This letter agreement (i) constitutes the entire agreement between the parties hereto relating to the subject matter hereof and supersedes any prior communications, understandings and agreements between the parties; (ii) may not be waived, amended or modified except by a written instrument executed by the parties hereto, and (iii) may be signed in any number of counterparts (including by DocuSign or PDF) with the same effect as if the signatures to each counterpart were upon a single instrument, and all such counterparts together shall be deemed an original of this letter agreement.
