## Neighborhood Market

### CONCEPT

The **Walmart Neighborhood Market** concept is a smaller-footprint, community-focused grocery store format designed for quick, convenient trips to purchase fresh produce, groceries, and household essentials, often including a pharmacy. Launched in 1998, and now totaling over 675+ stores in the United States, Walmart Neighborhood Markets aim to be a convenient, local alternative to large Supercenters, emphasizing affordability, daily needs, and fresh food selections in urban and suburban markets. Walmart recently introduced expanded self-checkout, larger pharmacy/medical areas, drive-thru pickup windows and upgraded exterior signage at its WNM locations further cementing the company's financial commitment to this store format.

### KEY ASPECTS

- **Smaller Footprint** - The stores have a much smaller physical size compared to Supercenters, making them easier to integrate into urban and suburban communities.
- **Grocery – Focused** - The primary focus is on groceries, produce, and household goods, providing a local supermarket experience.
- **Gas Stations** – The majority of the Neighborhood Market stores have a gas station with a store creating a one stop shop experience for customers/drivers.
- **Convenience** – The concept is built around quick in-and-out shopping for daily needs and forgotten items, offering a convenient alternative to large stores.
- **Community Connection** - Stores are designed to feel like part of the neighborhood, fostering a sense of familiarity and community.
