\$8.75 Billion Market Cap (February 2026)

Dutch Bros Coffee (NYSE: BROS) is a high growth operator and franchisor of drive-thru shops that focuses on serving hand-crafted beverages. With over 1,100 locations across 25 states, the company has targeted a goal of 4,000 total shops in the next 10–15 years. To accelerate store openings, the company plans to open at least 180+ stores in 2026. The company roasts its own coffee, a unique three-bean blend, and serves coffee, specialty espresso drinks, tea, Dutch chocolate milk, smoothies, lemonade, Dutch Soda, chai, energy drinks, muffins and granola. They have become known for their emphasis on personalized drinks and exceptional customer service. J.D. Power and Associates has consistently ranked the company among the top specialty coffee companies for customer satisfaction.

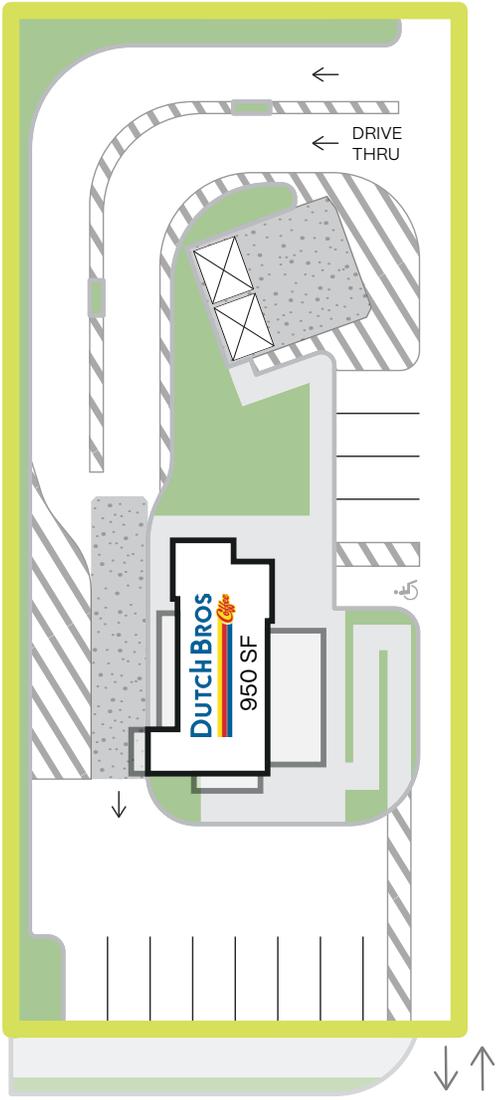

Launched in August 2024, Dutch Bros’ mobile order and pay system is expected to drive significant transaction growth going forward. It now accounts for approximately 10% of transactions and is especially popular among loyalty members. The company is also focusing on expanding their food offering (8 new SKUs) to capture more morning traffic and additional beverage occasions as well as grow transaction volume. Additional growth has been driven by their strategic digital marketing and loyalty program (now covering 71% of transactions), driving both loyalty and frequency.

Dutch Bros Coffee underwent its IPO on September 15, 2021, and as of February 2026, it has a market capitalization of \$8.75 billion. Reported annual revenue for 2025 was \$1.64 billion, a 28% increase from 2024; and net income of \$117.4 million, up from \$66.5 million in 2024.

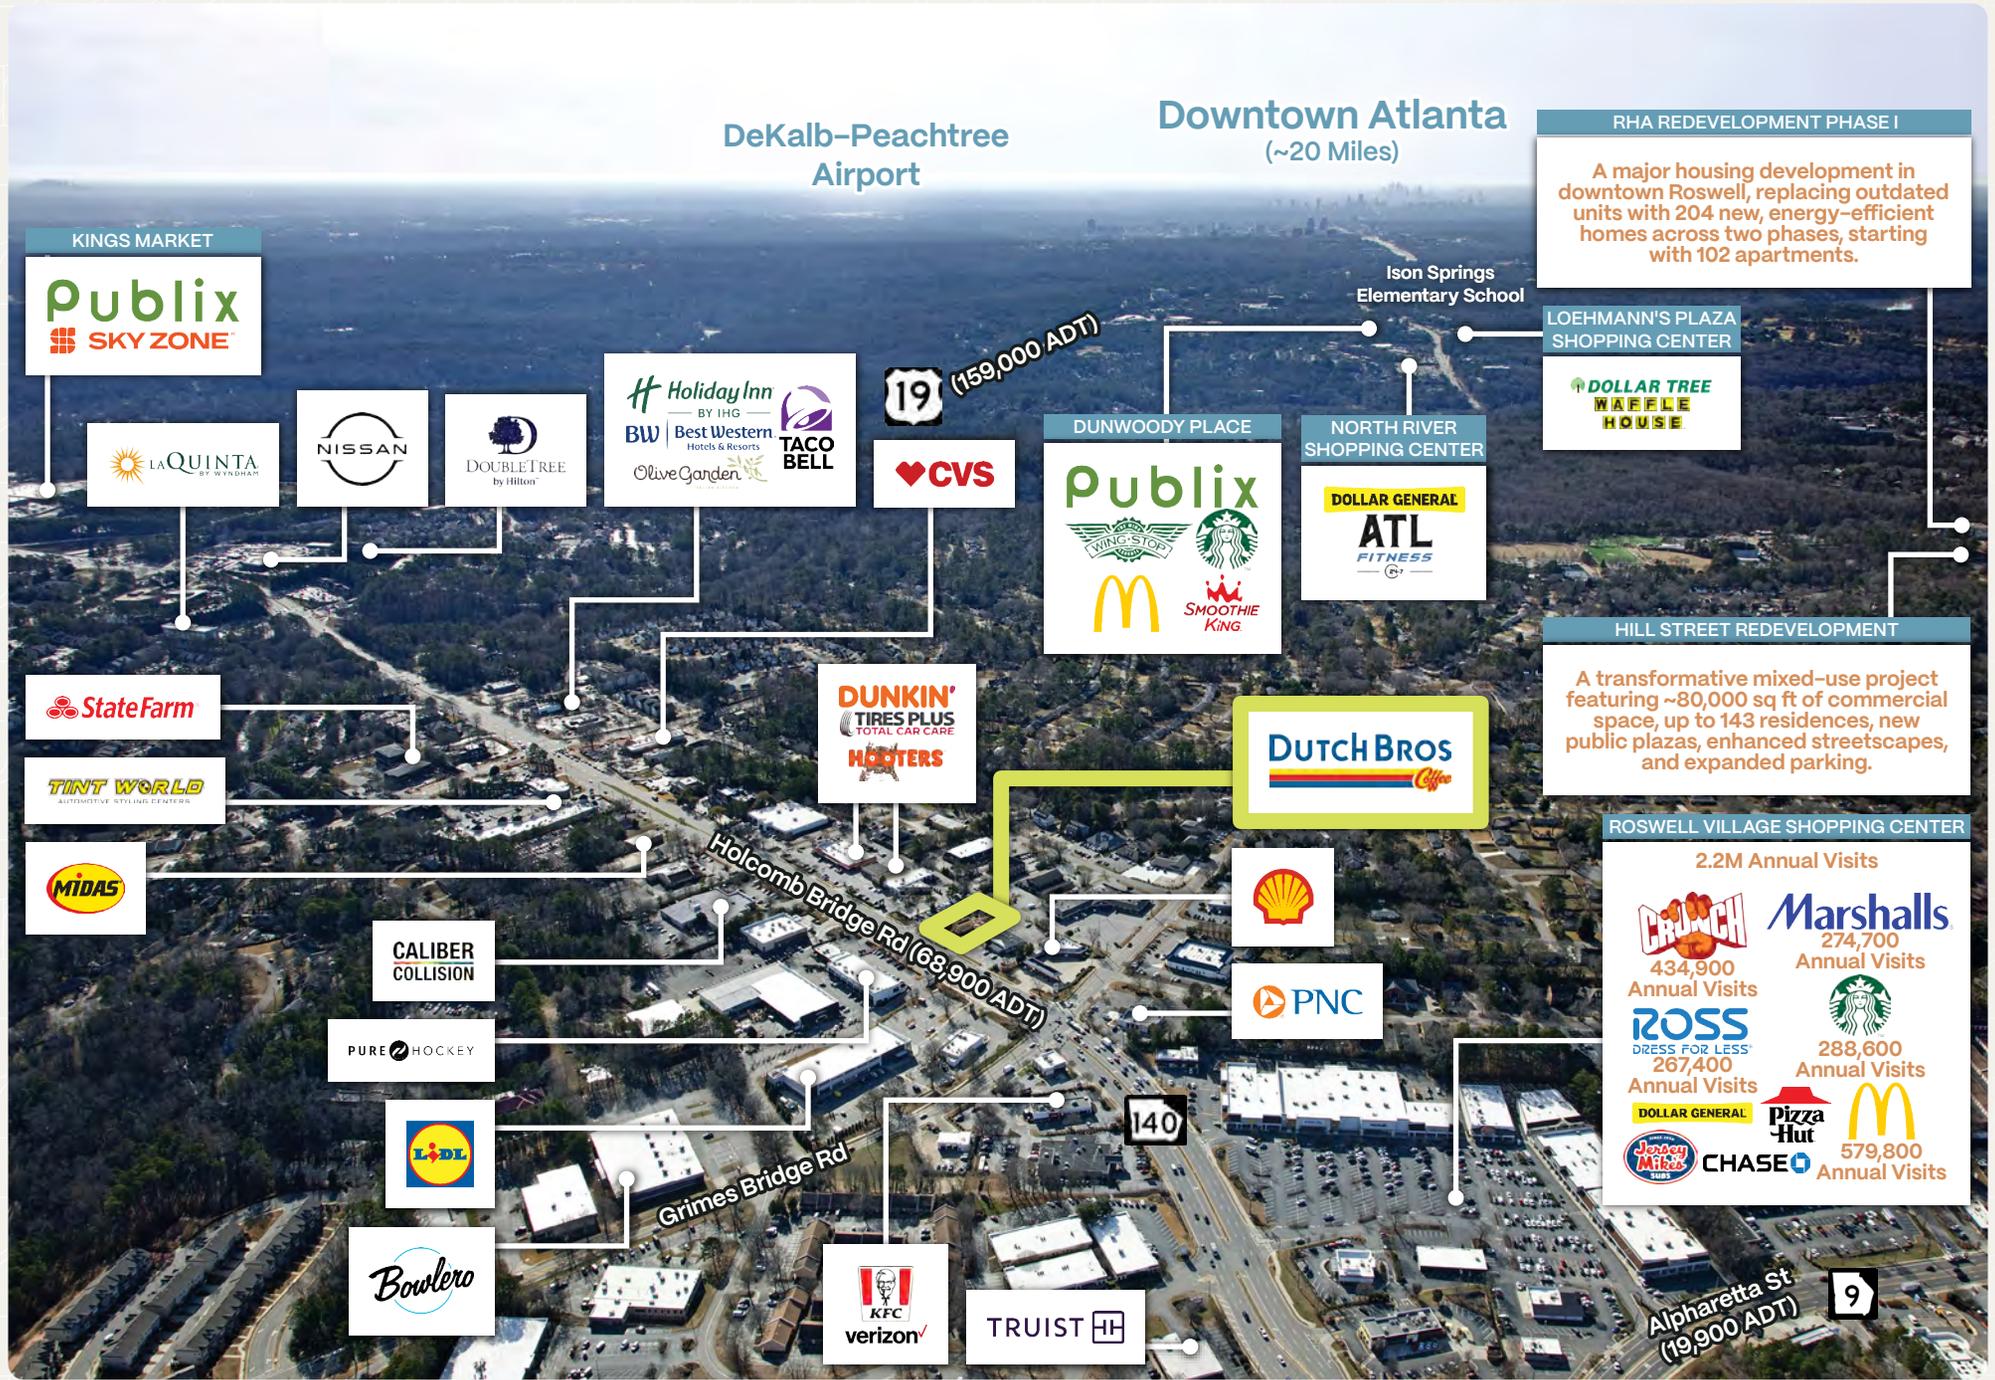

Boersma Bros, LLC, the lease entity, is a subsidiary of **Dutch Mafia, Inc.**, the corporate entity for Dutch Bros Coffee.

The introduction of mobile ordering and food offerings, combined with ongoing store expansion, is expected to drive sustained, multi-year transactional growth for Dutch Bros.

ROSWELL TOWN CENTER REDEVELOPMENT

A redevelopment plan for the 47-acre Roswell Town Center seeks to create a high-end mixed-use hub of housing, dining, shopping, and open space as part of a broader community revitalization effort.

Established, Desirable Atlanta Suburb

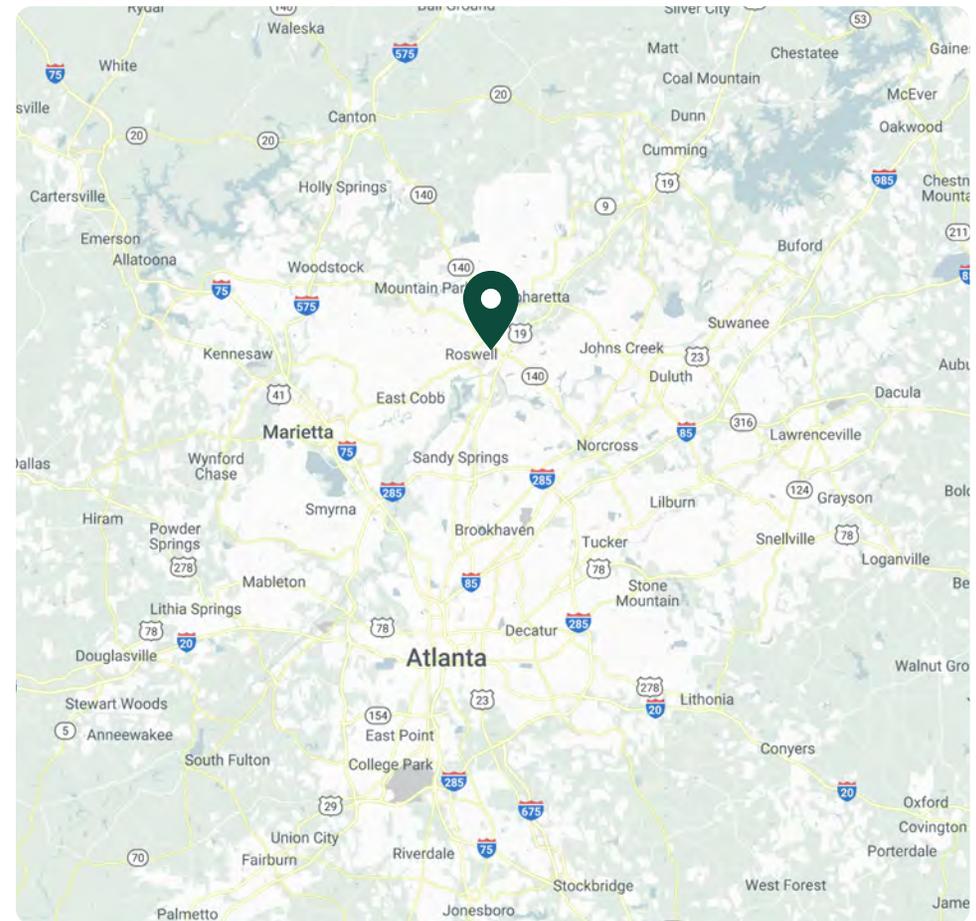

Roswell, with a population nearing 100,000, is an affluent and well-established city located just over 20 miles north of downtown Atlanta. Known for its strong sense of community, rich history, and diversified economy, Roswell consistently ranks among Georgia's most desirable cities. The city is home to notable historic landmarks such as Barrington Hall and Bulloch Hall, while its proximity to Atlanta provides residents and businesses with access to a large, highly educated labor force, major employment centers, entertainment destinations, and regional transportation infrastructure.

Blending southern charm with a modern, entrepreneurial spirit, Roswell's revitalized Historic District has become a regional destination for chef-driven restaurants, craft beverage concepts, and boutique retail, attracting more than 500,000 visitors and generating nearly 2 million visits annually. The city also benefits from convenient access to GA 400, proximity to major suburban employment hubs, and abundant outdoor amenities along the Chattahoochee River. As Georgia's 9th largest city, Roswell offers long-term stability, strong demographics, and a high quality of life that continues to drive residential and commercial demand.

Roswell sits within Fulton County, one of the core counties within Metro Atlanta, formally known as the Atlanta-Sandy Springs-Roswell, GA MSA, with a population exceeding 1 million. The county includes major cities such as Roswell, Atlanta, Alpharetta, South Fulton, and Sandy Springs.

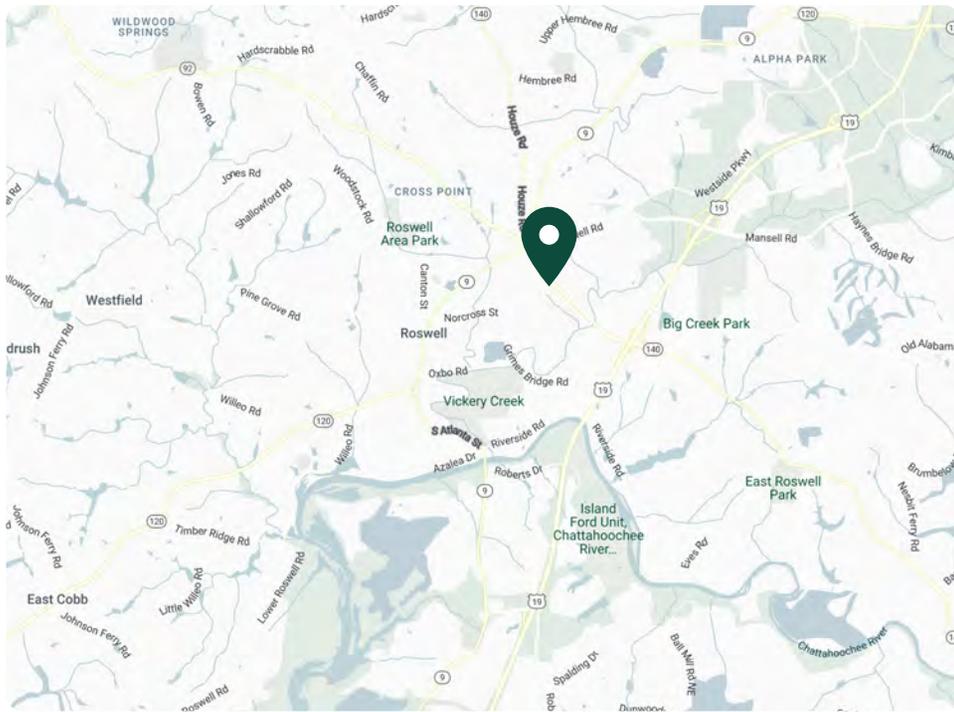

Metro Atlanta encompasses a 29-county Metropolitan Statistical Area with a population exceeding 6.3 million residents, ranking it as the 6th largest MSA in the United States. This scale provides investors with a deep and diverse base of consumers and a stable economic foundation. Atlanta's growth trajectory has been fueled by its role as a major transportation and logistics hub, anchored by Hartsfield-Jackson Atlanta International Airport, the busiest airport in the world by passenger volume, generating a \$34.8 billion economic impact for the metro, as well as its extensive interstate and rail connectivity.

Atlanta is internationally recognized as a Beta+ world city by the Globalization and World Cities Research Network (GaWC), underscoring its importance

in linking regional economies to global markets. The city has cultivated influence in key sectors such as finance, logistics, education, healthcare, and media, while also emerging as a top U.S. hub for technology and innovation. Its prominence is further supported by the presence of 17 Fortune 500 headquarters, including The Coca-Cola Company, Delta Air Lines, Home Depot, and UPS, among many others.

The region's diverse economy, strategic location, and cultural prominence make Metro Atlanta a compelling environment for both businesses and residents. From its globally connected airport and robust logistics infrastructure to its thriving corporate base and nationally ranked universities, Atlanta stands as a key player in the global economic and cultural network.

The subject property is strategically positioned with excellent access and visibility along GA-140/Holcomb Bridge Road (68,900 ADT). The site is located 1 mile from US-19 (159,000 ADT), which provides direct connectivity to downtown Atlanta approximately 23 miles south. It is also less than half a mile from GA-9, a major north-south arterial (22,300 ADT), allowing the property to effectively capture both commuter and daytime demand.

The property is supported by robust and growing demographics within an established and highly desirable suburb of Atlanta. The surrounding area features dense, affluent, and well educated residential neighborhoods. Within a 5-mile radius, the population totals 191,085 with an average household income of \$184,501, and more than 69% of residents hold a Bachelor's Degree or higher, well above the national average. Existing and planned single family and multifamily developments nearby include the new Canopy and Ashbury townhome developments, The Gathering community of single family homes and townhomes, the Harlow townhome development, multifamily communities at East Village and Heatherton, and more.

Surrounding retailers include Kroger, Shell, Lidl, Aldi, PNC Bank, Chick-fil-A, Dunkin', KFC, CVS, Bowlero, Olive Garden, RaceTrac, and multiple national hotel chains. Nearby shopping centers include Roswell Village Shopping Center, with Ross, Marshalls, Crunch Fitness, McDonald's, Starbucks, Jersey Mike's, Chase Bank, and more. The area is further supported by Crossville Village Shopping Center, a Kroger-anchored center, a Walmart Supercenter, and the planned Roswell Town Center, a 47-acre redevelopment envisioned to transform the area into a dynamic mixed use district with commercial, residential, office, educational, and civic uses.

Major traffic drivers and employment centers that support consistent daily activity include the Kimberly-Clark Professional headquarters, a major regional employer with 1,400+ employees located about 1.5 miles from the site, and Sanctuary Park, a 150-acre master planned corporate campus home to McKesson, Delta Dental, Ernst & Young, and The Clorox Company, the Wellstar North Fulton Medical Center, a 202-bed Level II Trauma Center, a UPS distribution center, multiple ADP office buildings employing more than 4,000 in the area, the 1.4M square foot North Point Mall, the 86-acre Avalon mixed use development, and the Ameris Bank Amphitheatre. The area is also supported by numerous schools, parks, and recreational amenities.

Ongoing and planned development continues to expand Roswell's economic base including the Hill Street redevelopment, a transformative mixed use district adjacent to downtown that will introduce 75,000 square feet of retail, restaurant, and office space, 159 homes, parking, public green space, and a pedestrian promenade. Additional residential and mixed use projects include RHA Redevelopment and The Chambray downtown hospitality project.
