THE OPPORTUNITY

Cushman & Wakefield Capital Markets, as the Exclusive Advisor, is pleased to announce the opportunity to acquire a STNL Dutch Bros Coffee. The asset is secured by a 15-year absolute NNN lease that commenced September 1, 2025, featuring 10% rental increases every five years and three (3) five-year extension options, providing investors with long-term income growth and stability.

Strategically positioned within one of Cincinnati’s most densely populated corridors, the property is uniquely aligned with Dutch Bros’ core customer base, benefiting from a concentrated population of Gen Z and millennial consumers, as well as immediate proximity to numerous schools and nearby colleges. As one of only three Dutch Bros locations in the Greater Cincinnati market, and the only location within the I-275 loop, the site offers a rare opportunity to invest in a high-growth brand within a supply-constrained and highly targeted trade area.

Dutch Bros Coffee is a rapidly expanding, drive-thru focused beverage retailer known for its differentiated menu, strong brand loyalty, and highly engaged customer base. Founded in 1992 in Oregon and headquartered in Tempe, Arizona, the company has grown into one of the fastest-growing beverage concepts in the United States, with a focus on speed, customization, and customer experience.

The brand distinguishes itself from traditional coffee concepts through its emphasis on customizable beverages and energy drinks, which now account for approximately 25% of sales and resonate strongly with younger consumers. This product mix, combined with a high-touch service model and efficient drive-thru format, has positioned Dutch Bros to capture increasing market share within the specialty beverage sector.

Dutch Bros operates a predominantly company-owned store model and has expanded aggressively across both established and emerging markets. Its disciplined site selection and focus on high-traffic, demographic-driven locations have supported strong unit-level performance and consistent brand growth.

With a loyal following, scalable operating model, and continued national expansion, Dutch Bros is well-positioned as a high-growth tenant within the net lease investment landscape.

SUBMARKET OVERVIEW

The property is located along Winton Road, a well-traveled north-south corridor within the Cincinnati metro, offering direct access to surrounding residential communities and major thoroughfares. The site is positioned within a densely populated infill trade area characterized by established neighborhoods, strong household density, and consistent daily traffic patterns.

The immediate area is supported by a high concentration of educational institutions, including multiple elementary, middle, and high schools, as well as nearby colleges. This creates a built-in customer base of students, faculty, and young professionals—key drivers for Dutch Bros’ product mix and brand engagement.

Additionally, the property’s location within the I-275 loop places it in one of the most active and densely populated portions of the Cincinnati market, reinforcing long-term site relevance and consumer accessibility.
