25 Year Extended Life Endorsement to Butler Warranty

BUTLER MANUFACTURING COMPANY ("Butler") further warrants for a period of twenty-five years from the date of shipment that the roof panels, and the specified metal curb portion of the Roof Component but excluding liner panels, furnished by Butler for the building described below (the "Building") will remain free from perforation due to corrosion under normal weather and atmospheric conditions. The conditions described in paragraph 1.a. of the Warranty ("Butler Warranty") attached hereto and made a part hereof are not 'normal weather and atmospheric conditions' for the purpose of the Extended Life Endorsement.

Material Warranty. Aluminum-Zinc Alloy Coated Steel.

If such failure is reported during the period specified in accordance with paragraph 5 of the Butler Warranty, Butler's obligation under this Endorsement to the Butler Warranty will be to assume the cost of material and labor to repair, repaint or replace materials as it deems reasonably necessary to correct such failure, provided that the total liability of Butler under this endorsement shall in no event exceed \$ 52,649.00 for the aggregate of all claims hereunder.

Building Description and Specification of Materials Warranted. This Warranty Endorsement only applies to the extent of the materials checked or otherwise specified in the listing shown below:

Owner	Kan. LLC (Black Tie Limo)		
Building Location	25 Bond Street	Haverhill, MA	01835
	(Street)	(City)	(State) (Zip Code)
Butler order No.	545573	Shipment Date	10/18/2005
Type of Roof:	MR-24® ALZN

EXCLUSION FOR CERTAIN FASTENERS AND FASTENER WARRANTY. Deterioration to the roof panels adjacent to, or caused directly or indirectly by panel contact with fasteners other than aluminum Lock-Rivets® or stainless steel fasteners, is expressly excluded from coverage under this Extended Endorsement. All Lock-Rivets and stainless steel fasteners furnished by Butler are warranted for a period of twenty-five years from shipment date against failure due solely to corrosion of the fastener.

This is an Endorsement to the attached Butler Warranty and is subject to all of the "LIMITATIONS, ADDITIONAL PROVISIONS AND CONDITIONS" thereof, including the provisions of paragraph 7 which specifically excludes "ALL OTHER WARRANTIES, EXPRESS OR IMPLIED, OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE..." AND ANY BUTLER RESPONSIBILITY FOR ANY INDIRECT OR CONSEQUENTIAL DAMAGES.

Neither the Builder or Butler shall have any obligation under any warranty or guarantee until all bills for material, installation and erection of said building and components thereof and for labor and other work performed by Butler and/or the Butler Builder have been paid in full.

Acceptance of the Butler Warranty shall constitute the owner's acceptance of this endorsement. This endorsement is effective only upon receipt by Butler of the original Warranty signed by the Owner with this endorsement attached.

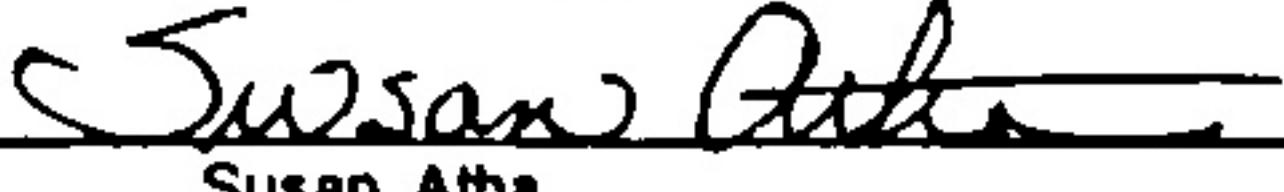

Executed this 29th day of November, 20 05.
