HIGH POINT, NC

High Point, North Carolina, is a dynamic city in the Piedmont Triad—just southwest of Greensboro and Winston-Salem—celebrated worldwide as the “Furniture Capital of the World.” Founded in 1859 at the highest elevation on the North Carolina Railroad, it originally thrived through furniture and textile manufacturing, hosting its first furniture exposition in 1905. Today, the biannual High Point Market—first held in 1909—remains the globe’s largest home furnishings trade show, drawing 70,000–80,000 buyers across more than 11 million square feet. With a population of around 114,000, the city melds small-town charm with regional significance, offering a mild climate, strong schools, and top-tier healthcare. Beyond its industrial roots, High Point boasts a revitalized downtown—anchored by galleries in Congdon Yards, local breweries, and the quirky landmark “World’s Largest Chest of Drawers”—as well as cultural attractions like the High Point Museum, Nido & Mariana Qubein Children’s Museum, and scenic parks such as City Lake Park

Downtown High Point

Starbucks Corporation is an American global coffee company and coffeehouse chain based in Seattle, Washington. Starbucks was founded in 1985 as a local coffee bean roaster and retailer and has grown into the largest coffeehouse company in the world. There are 33,000+ Starbucks stores in 76 countries, including 15,041 in the United States. Starbucks locations serve hot and cold beverages, whole-bean coffee, micro-ground instant coffee, full-leaf teas, pastries, and snacks. Most stores also sell packaged food items, hot and cold sandwiches, and items such as mugs and tumblers. Starbucks Evenings locations also offer a variety of beers, wines, and small bites after 4pm. Starbucks has a strong presence both in the US and in the global marketplace due in part to its rapid growth over the last few decades. In the 1990s, Starbucks was opening a new store every workday, a pace that continued into the 2000s. The first store outside the United States or Canada opened in the mid-1990s, and overseas stores now constitute almost one-third of Starbucks' stores.
